

"FALL FRANK" DANCE to be given by the Lincoln-Way school Band Boosters, Saturday, Sept. 30 is being planned by the above committee members. Bill Carnegie's orchestra will provide the music for dancing. Tickets are available from any band parent, at the high school or at the door the evening of the dance.

Those on the committee are; seated, Mrs. Della Hussey, New Lenox, hospitality chairman; Mrs. Corlaine Mazurek, Mokena, secretary and Mrs. Mary Otto, Frankfort, publicity chairman. Second row; E. C. Montgomery, New Lenox, ways and means chairman; W. R. Clark, New Lenox, president of Band Boosters; Roy Pfeiffer, New Lenox, vice-president; Robert Taylor, band director and Joseph Alexander, Mokena.

Would End Downspout Connections With Sewers

Last week's heavy rains gave the Frankfort sanitary sewer system a severe test, it was reported at the regular board meeting Monday night.

Six householders complained of having some water in their basements but in no instance, it was said, was such condition the result of sewer lines backing up.

State law forbids the use of sanitary sewers to carry off storm water but manhole covers always permit a considerable influx of surface water and in Frankfort there are some homes and business places that still pass roof water into the

sewer mains, it was reported.

One of the chief offenders, it was brought out, is the grade school. The downspouts from the roof pass down inside the walls and thence into the sewer, it was reported to the board.

All homes and business houses not yet connected to the sanitary sewer must have such connections made by Oct. 1. That date also is the deadline for breaking any connections that would carry roof water into the sanitary sewer, it was announced.

Trustee Dan Hecht moved to have a check made of all downspout connections.

The village and McIntosh

company, owners of Connecticut Hills subdivision, will share in the cost of clearing out a drainage ditch traversing the development, it was estimated by Brown & Lambert that the job would run about \$2,000.

The board adopted an ordinance amending the zoning code measure by changing the classification of 10 acres owned by George and Minnie Elsner from R-1 (residential) to L-1 (light industry). The tract has a frontage of some 1,000 feet along U.S. 45 in the vicinity of Nebraska st. The S. & S. Sink Top firm expect to use five

acres of the tract for their new plant plus parking and storage needs and the other five acres will be used by a millwork firm, according to Village Attorney Albert H. Krusemark.

There are some 60 trees in the parkways of the village that are affected by Dutch Elm disease, Trustee Milton Subbert pointed out and added that he had talked with the representative of a firm that was willing to take the job at \$37.50 a tree and allow the village to pay for the work thru monthly installments. The price, Subbert was given to understand, would include removal of at least a portion of

the stump so there could be an eight-inch fill to permit growth of grass. The board is considering the proposal.

New stop signs have been erected at Ash, Oak and Hickory streets to halt traffic before it enters on Kansas St. The new parking areas at the east end of Kansas st. are now in use. Angle parking is prescribed for the off-street space between the railroad property and the curb and gutter on the north side of Kansas st. Parallel parking is prescribed for the north side of Kansas along this gutter, and angle parking on the south side.

Frankfort Police Provide Safety Rules For Pupils

Safety manuals, prepared by the Child Safety Council, have been presented to the Frankfort grade school for distribution among the pupils. The manuals were given to the school by Frankfort Police Chief Francis Simon.

The manuals cover such subjects as water and fire hazards, traffic dangers, and such injury potentials as firearms, poisons, electricity, gas, falls, power tools and machinery in town or on the farm.

The manuals are illustrated. Also distributed were pamphlets warning children of dangers they may encounter at the hands of the criminally inclined.

The message reads: "Your parents, your teachers and your police want to keep you safe and happy... Always re-

port to your police officer, any stranger who ---

"Tries to join you in your play.

"Asks you to go anywhere with them.

"Wants to talk with you or touch you.

"Offers to give you money or a present.

"When any stranger asks you to do any of these things, remember... what he looks like and how he is dressed... what kind of a car is he driving and write down its license number (if need be scratch it on the street, sidewalk, or on the ground with a stick)... and report the incident to your police officer."

Obedience to such rules could save a child from death or a terrifying experience, Chief Simon pointed out.

PAUL R. LANDAHL, son of Mr. and Mrs. Gustav Landahl of Mokena was chosen to enter the Lutheran ministry and is enrolled in the Concordia Lutheran seminary (Missouri Synod) at Springfield for a four year course. He is a graduate of Valparaiso university and is one of four sons of the Landahls.

New Lenox, Mokena School Boards Adopt Their Budgets

The New Lenox school board adopted the 1961-62 budget Monday night and also passed a resolution for the year's tax levy.

The levy includes \$96,000 for educational purposes, \$10,000 for building, \$1,000 for municipal retirement and \$35,000 for bonds and interest.

Superintendent John Oster pointed out that the only increase over last year's levy is in the educational fund which is \$24,000 higher. This is attributed to the addition of two full time teachers and one part time teacher as well as the adopted salary increases. It also has been necessary to add another maintenance man at Oakview school. Because the enrollment has increased 85 pupils over last year, this requires additional maintenance and supplies as well as higher utility bills.

The board anticipates a seven per cent increase in the tax rate over last year which was 99 cents on the assessed valuation of \$100.

Mrs. Marian Carlson, who started this teaching year as a substitute at Oakview, was offered a full-time teaching contract by the board. She is teaching first grade.

The Band parents group offered to pay half the cost of a new piano for the auditorium. The board authorized the purchase of a piano, at the cost of \$649.

Taken into consideration were the figures for the purchase of additional chairs for the Oakview gym. Bleacher seats were also discussed.

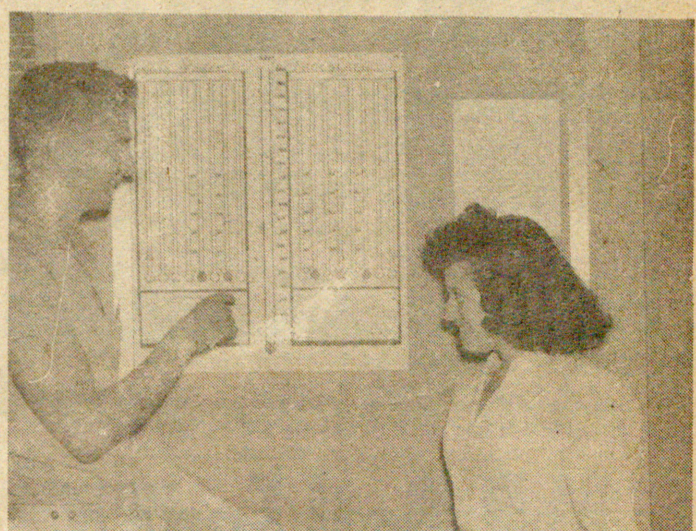

Mokena Firemen Elect Stanley Williams, Pres.

At the regular monthly meeting of the Mokena volunteer fire department held last Wednesday evening, Sept. 13 in the fire house election of officers were held with Stanley Williams elected as president; Fred Werner, re-elected as treasurer and Raymond Bernard as director from the country. All of the men will serve for a term of three years. Each year an election is held for three different offices in the department for a term of one to three years.

Members whose terms of office have not yet expired are; Carroll Roberts, fire chief; Fred Rauch Jr., assistant chief; Kenneth Warming, secretary and directors; Fred Clark, Bob Rust, Joe Schuch, Stanley Williams, Carroll Roberts, Raymond Bernard, Kenneth Warming, Martin Medema and Fred Werner.

Fire calls answered during the past two weeks include a kitchen fire in the home of Don Madsen, Arden Lane and Francis Road. The fire was out upon the arrival of the department and caused only slight damage. A car was reported on fire, Sept. 10, on 175th street; a quarter of a mile West of route 45. According to State troopers who covered the scene the car was reported stolen and was totally demolished by the fire. On Sept. 11 electrical wires were reported broken near the Frank Kucivier home on 195th street and Wolf road.

The department will divide proceeds of a party prior to Thanksgiving to be given by the Amvet Post and Muehler's tavern.

CANDY SALE--John Burroughs, vice-president of the Lincoln-Way band and also in charge of this year's chocolate bar sale, points out the various teams and their goals to Kay Van Rheeden, president. The sale officially starts Friday, Sept. 22, and continues to Oct. 2. These candy bars can be purchased from any member of the Lincoln-Way band. All proceeds will be used for band uniforms or band camp.

Windshield Wash Receipt Aids Lions Charities

Mokena Lions club president, Walter Welsh, announces the windshield washing project staged recently was generously supported by the local citizens. The money received will help support the many projects and community services in which the Lions are engaged.

The Lions club pays the library rent which now amounts to \$300 annually; equipment and upkeep of the tot's playground in the village; and an Easter egg hunt sponsored each year in the community park.

During the last fiscal year, ending June 30, the Lions provided glasses for two needy children; purchased eye-testing equipment for use in the local schools; bought a record player for the Happy Hour kindergarten; provided Christmas baskets for the needy and Christmas trees for local schools; helped financially with Explorer Scout programs and assisted in a Twelfth Night Cub Scout program.

In the same period Mokena Lions made sizeable contributions to the Leader Dog Institute, the Hadley School for the Blind, CARE, Trinity School for retarded children, and the For-

eign Exchange student program. The Lions feel that civic-minded Mokena residents will be glad to know that they are a part of these worthy causes and community services when they support Lions activities.

Next on the Lions program is the annual fruit cake sale which the club members hope will again have the enthusiastic reception of previous years.

Mother's Club To Meet Next Tuesday

The first meeting of the 1961-62 season of the Marley Mother's club will be held Tuesday, Sept. 26 at 8:00 p.m. in the grade school. Mrs. Robert Lindberg will present the program for the evening and Mrs. Joe Burns will be the refreshment hostess.

Anyone wishing to join is cordially invited to attend.

Officers for the coming year are, Mesdames: Herbert Crabbs, president; William Little, vice-president; Joe Lambert, secretary and Eugene and Horwath, treasurer.

Bull Attacks Farmer

Charles Roemer, 58, of Green Garden remains in critical condition at Silver Cross hospital, Joliet, after he was severely injured when charged by a bull at his home last week.

He suffered fractured ribs and bruises to the chest, shoulder and back. Roemer was taken to the hospital by Gerald Koehler of Peotone. On arrival at Silver Cross, he was given blood plasma and oxygen.

According to Roemer's brother, Edward, the injured man went out in the field to get the cows about dusk. When he didn't return, Edward started to investigate and heard the animals creating a disturbance. Taking the dog, Edward found his brother lying on the ground with the bull still attacking him. With the assistance of the dog, Edward succeeded in driving the bull away, long enough to rescue his brother.

Cancel Open House Visits

Effective immediately open house visits will be discontinued at Active Army Air Defense NIKE-AJAX missile sites in the Chicago-Gary area.

Mokena

The budget for the coming 1961-62 year at Willowcrest and Carpenter Street schools in Mokena was adopted last Tuesday night, when the school board had its regular meeting.

The budget, approved by the board, will include \$119,790 in the educational fund; \$18,103 for building bonds and interest; \$10,288.80 in general building fund and \$6,272.05 for construction.

The board also passed a resolution on the tax levy... \$60,000 in the educational fund and \$10,500 for the general building fund.

The remainder of the meeting was spent revising some of the teachers' contracts and discussing the heating plant and the public address system. William Donaldson, athletic coach, also outlined the coming basketball schedule.

Mokena C Of C To Meet September 26

The Mokena Chamber of Commerce will resume its meetings for the coming year starting Tuesday, Sept. 26 at 8:00 p.m. in the VFW hall basement.

President Will Tuttle states various committees will present individual reports. The organization, which is open to the public, is interested in the industrial development of the community in addition to other community projects.

TWINS AT ANYTIME are considered quite an event and when four sets start school together it can add confusion to the classroom and teachers alike.

Such is the case this year at Willowcrest school, Mokena, when the above twins enrolled for first grade two weeks ago. The mothers of three sets, Mrs. Theodore Wimmer, Mrs. P. T. Demus and Mrs. Walter Hentsch are twins themselves while Mrs. Jack Glenn is not a twin, but her mother, Mrs. Margaret Stermer of Joliet has a twin.

The twins are (left to right) Jack and Gene Glenn; Donna and Darlene Hentsch; John and Jimmy Wimmer and Maria and Adrian Demus.

The first grade teachers, who have the difficult situation in determining one from another are (l to r) Mrs. Earl C. Montgomery Jr., New Lenox; Mrs. Elizabeth Cappel, superintendent; Mrs. George Grant; Joliet and Mrs. Madeline Weber, principal.

POLICEMAN GETS TICKET. This time Frankfort chief of police, Francis Simon, is shown buying a ticket from Mrs. Clifford Woodman and Mrs. James Kelly for the Codfish Ball dance to be staged Saturday, Sept. 30. The dance, which is sponsored by the members of the local library, will be held in the Frankfort school gym-

nasium from 9:00 p.m. to 1:00 a.m., with Don Adams' orchestra providing the music for the dancing pleasure. Tickets are available at Pauline's beauty shoppe, Frankfort Pharmacy, Massey's Standard service station and members of the library committee.

Women's Guild To Have First Meeting Sept. 28

MRS. KATHARINE HEISNER, Tel. Frankfort 5187

New Lenox

Cub Scouts To Have Pack Night On Sept. 28

MRS. DELORES ANDERSON
Tel. HU 5-3651

New Lenox Cub Scout pack 8 will observe Pack Night on Sept. 28. This will be held in the Lions Den, S. Cedar Rd., from 7:30 until 9 p.m. Any boy from 8 to 11 years old interested in joining, may sign up at that time. Scout leaders will be present to answer any questions.

The New Lenox Chamber of Commerce will meet Sept. 26 from 12 to 1 p.m. in the Methodist church dining room. Women of the church will serve the luncheon.

Mrs. Stanley Ekedahl and Leslie attended a specialized school for Pharmacy on Sept. 14, at the Knickerbocker hotel in Chicago. They also attended the luncheon. The lectures were on skin problems and hair tinting.

Al/c Gordon Ekedahl is now stationed with the Air Force in southern Germany. Prior to his leaving, he spent a 30 day leave with his parents Mr. and Mrs. Stanley Ekedahl, and Leslie, Haven Ave.

The officers and chairmen of the Altar and Rosary society of St. Jude Catholic church will have its first meeting on Tuesday, Sept. 26. The rosary will be recited at 7:30 p.m. in the church and the meeting will begin at 8 o'clock in the school hall.

Since this is membership month, a program is being planned to welcome the new members by the chairmen, Mrs. Hubert Huber and Mrs. James Nolan. Anyone in need of transportation may contact any of the following officers and chairmen: president, Mrs. Clarence Wise; vice president, Mrs. Dan Matthews; secretary, Mrs. Ray Watson; treasurer, Mrs. Ellsworth Dickman; publicity, Mrs. Martin Seeley; sick and vigil, Mrs. William Avila; membership, Mrs. Hubert Huber and Mrs. James Nolan; program committee, Mrs. Stan Jarski, Mrs. John Hasibar, and Mrs. Harry Clemens.

The Chancil guild of Trinity Lutheran church will sponsor a rummage sale, Thursday, Oct. 28, from 9 a.m. to 9 p.m.; and Friday, Oct. 29 from 9 a.m. until 5 p.m. in the church basement on Elm St. and North Cedar Rd. Mrs. Betty Dunn is chairman in charge. All rummage will be accepted for the sale. Anyone wishing to donate may call Mrs. Dunn.

The Naomi circle of the Methodist church will meet Wednesday, Sept. 27, at 9 a.m. for the handicraft hour and plans for talks and demonstrations for the coming year were discussed.

Mr. and Mrs. Edward Parks are the parents of a baby girl born Tuesday, Sept. 5 at St. Francis hospital. The infant weighed six lbs. ten oz. and has been named Lynda Lee. Lynda was born on her maternal grandmother's birthday, Mrs. Earl Reish. She is the first great grandchild of Mr. and Mrs. Harry Rauch and makes the fourth generation - Mrs. Rauch, Mrs. Earl Reish, Mrs. Edward Parks and Lynda.

the first meeting of the fall season. The meeting will be held in the home of the former chairman, Mrs. Mildred Minuth, Mrs. Irene Chandler, newly elected chairman, will conduct the meeting. Mrs. Irene Schwab is program chairman for the new year.

The Womens league of Trinity Lutheran church will meet Tuesday, Sept. 26, at 1 o'clock for dessert-coffee, prior to the regular business meeting. Hostesses will be Viola Jones, Bertha Landahl, and Doris Reinke. Plans will be made for the annual beef dinner to be held sometime in October.

The Deborah circle of the Methodist church will meet Tuesday, Sept. 26, at 8 o'clock.

The Lincoln Log

"OPERETTA"

The major fall event of the Lincoln-Way mixed chorus will be the presentation of the Gilbert and Sullivan operetta, "The Mikado", a pleasantly amusing story set in the oriental background of Japan. The performances will be given in the high school auditorium on the evenings of Friday, Nov. 10, and Saturday, Nov. 11, at 8 p.m.

GIRLS GLEE CLUB

Once again the Girl's glee club is starting a new year under the direction of Tom Thompson. The choir consists of members of the junior and senior class.

Officers for the coming year are: Pat Ronan, (S), president; vice president, Janet Summers, (J), secretary; Cheryl Palmer, (J), treasurer; Barbara Gottlieb, (J), reporter; Nancy Behn, (J), librarian, Eva Schoen-craft, (J).

Accompanist for the year will be Janet Summers.

The members will be working hard to prepare for grade school concerts and school activities. Everyone will enjoy a year of music instruction and fellowship.

(S - Senior; J - Junior)

The Lincoln-Way Future Homemakers of America chapter officers met Tuesday, Sept. 12, 1961 to arrange the schedule and activities for the coming year, which includes the dates on which the meetings will be held, the service activities, and money making activities.

The officers also discussed the coming officers meeting which will be held at Beecher on Oct. 4, 1961.

The next social event is a cook out which will be held at the Lincoln-Way high school, to which all F.H.A. members of the chapter are invited to attend;

GRAIN FUTURES

Farmers who want more facts about grain futures marketing trends and grain price prospects are invited to the marketing meeting on Monday, Sept. 25 at 8:00 p.m. in the Farm Bureau building, Manhattan road, Joliet.

The speaker for the evening will be Professor Les Stice, university of Illinois grain marketing specialist. The theme of the meeting will be "Farmers Use of Futures."

NOW! A NEW WORLD OF WORTH!

NEW FROM DIESEL TO DAZZLE!

'62 CHEVROLET JOBMASTER TRUCKS!

WITH NEW High Torque Power

Here they are—handsome, functional '62 Chevrolet trucks powered to work harder in every weight class. Hefty new V8's with the highest torque in Chevrolet history. New diesel brawn for medium-duty models. And new power to pick from in light-duty models.

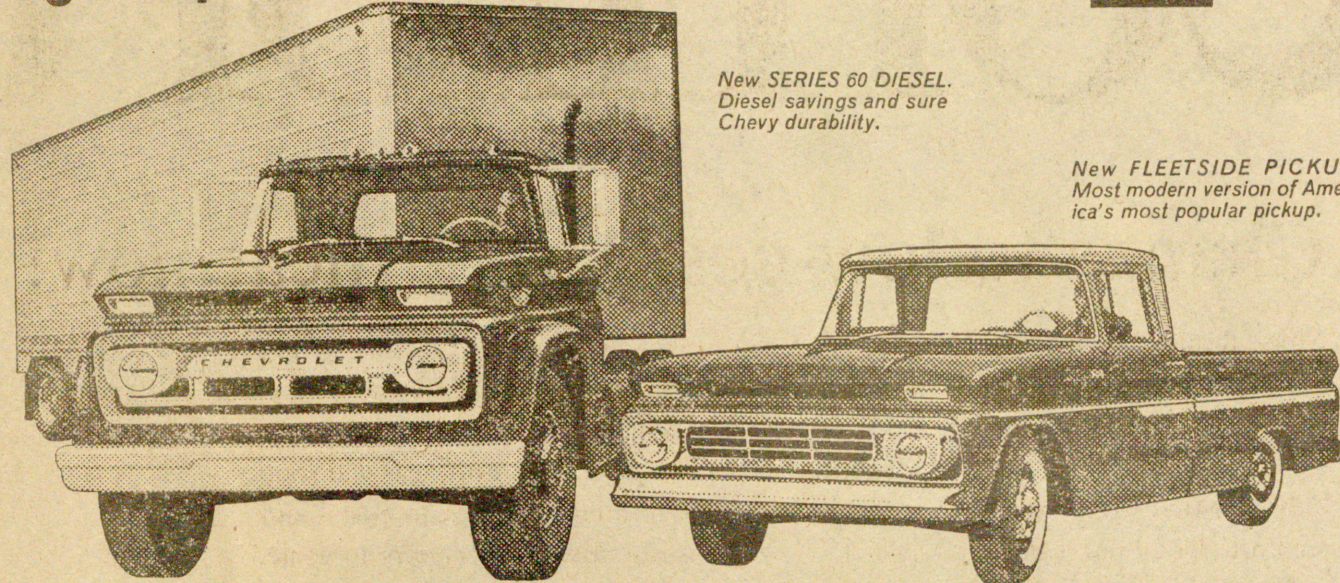

There's a wider choice of power, a wider choice of torque, across the board. For heavies, there's the new High Torque 409 V8*, with 16 1/2 per cent more torque than ever before available from Chevrolet. Big news in the middle-weight class is the new Chevy-GM 4-53 Diesel. It's compact, rugged, high in torque, and backed by years of GM Diesel experience. In the light-duty lineup, the High Torque 261 Six* adds new sock, new savings in extra-tough applications. You can pick from nine rarities-to-work, ready-to-save engines.

Handsomeness new work-styling includes forward-sloping hoods that allow drivers to see as much as 10 1/2 feet more of the road directly ahead. Chevrolet's famous Independent Front Suspension gives you a smoother riding, easier working, longer lasting truck. New heavier duty, smoother hypoid rear axles for middle-weights. Rugged new I-beam front axles* of 9,000- or 11,000-lb. capacity are available on Series 80 heavyweights. Mufflers are longer lived on all models. You'll find a total of 198 models in the new '62 Chevy line—including three work-proved, versatile Corvair 95's. Every model is built to out-haul, out-last and out-value any other truck at anywhere near the price. See your Chevrolet dealer! *Optional at extra cost

Hold Opening Meeting Of PTA, Thursday, Sept. 26

The Mokena Parent-Teacher Association will present Mrs. L. D. Veronda, district director for the P.T.A., as guest speaker at its first meeting Tuesday, Sept. 26, 8:00 p. m., at the Carpenter Street School. Mrs. Veronda, who lives in Joliet will speak on "Policies and procedures of your P.T.A." She is well qualified to speak on this subject as she has been active in the P.T.A. for 16 years and held the offices of unit president and council president.

Mrs. Elizabeth Cappel, superintendent of the school, will introduce the faculty to the group and Mrs. Durward Fant, president of the P.T.A., will introduce the members of the school board. A social hour will follow the meeting and refreshments will be served.

Crystal bud vases, a gift of the P.T.A., were filled with flowers and placed on the desk in each class room the opening day of school. It is the hope of this group to provide fresh flowers for these vases from time to time.

Some 311 Illinois State Normal university students will engage in student teaching this fall. Among those teaching is Henry Barnett, 11301 West 192nd street who will teach algebra at the University high school on the campus at Normal.

HOME BUREAU
Election of officers were held at the Frankfort-Mokena Home Bureau unit when they met in the home of Mrs. Marvin Kohl for their September meeting. Members elected to serve for the coming year are; Mrs. Walter Welsch, president; Mrs. Fred Piepenbrink, vice-president; and Mrs. Charles Neuls, secretary.

The next monthly card party has been set tentatively for Saturday, Sept. 30 in the home of Mr. and Mrs. George Eisner. October meeting will be held in the home of Mrs. Emil Groth with Mrs. Alma Niessner, Home Advisor presenting the major lesson.

Word has been received by relatives of the birth of a daughter to Mr. and Mrs. Jack Newton of Alexandria, Va. The baby was born Thursday, Sept. 14 and weighed seven pounds, six ounces and has been named Terri Ann. This is the couple's first child. Mrs. Newton is the former Audrey Nicholson of Lincoln Estates. Mr. Newton will receive his discharge from the Army at the end of this month, having served for two years.

The Roy Newton family spent last Sunday in Harvard, Ill. visiting with her parents and relatives.

Emmet Roberts, who has been making his home with his niece and family, Mr. and Mrs. Frederick Werner, and formerly employed at the United Wallpaper Co., has retired and is now making his home with his sister Mrs. Settie Artledge of Champaign.

Serving with attack squadron 34 at the Naval Air station, Cecil Field, Fla. is Keith W. Liston, aviation electrician's mate third class, USN son of Mr. and Mrs. Willis E. Liston. The squadron returned to Cecil Field from a six week training operation at the Navy's fleet training center, Guantanamo Bay, Cuba.

Gerrian Hull has returned to classes at the University of Illinois. Three local students that have registered at St. John's Lutheran college at Winfield, Kansas are Carol Gilmore and Karen Rhode entering their first year and David Buelman who is entering his second year.

It was incorrectly stated in last week's issue that John Mazurek entered JJC; he is enrolled at Beloit College and William Sluis Jr. is attending Northwestern university as a freshman this year.

Also returning to classes are Lurene Brown, Northern Illinois University; Tom Ricketts and Kenneth Lorenz to University of Illinois.

Miss Helen Sheridan is in her senior year at St. Francis college, Joliet, and will do student teaching at JTHS.

Michael Sheridan has entered his first year at Chicago Teacher's college and his brother William is attending Joliet Junior college night school.

Douglas Porick has returned to his studies at Illinois Institute of Technology at Chicago; Penny Fiegan to the University of Illinois and Vivian Jacobsen to Western State college at Macomb.

Dinner guests last Sunday in

the home of Mrs. Lucille Sheridan were Miss Florence Armin, sighsaying teacher of Marshall high school, Chicago and a longtime friend of the hostess; Dr. William Curtis of Chicago, Mr. and Mrs. Dan Morgan of Oak Park and Dr. and Mrs. George Morgan of Frankfort.

Wesley Schultz, son of Mr. and Mrs. John Schultz, Front street received his call for Army duty and reported to Fort Knox, Ky. Sept. 5. Wesley was employed with the New Lenox lumber company branch at Mokena.

The afternoon pinocle club met last Thursday in the home of Mrs. Sarah Spiess. Winners were Mrs. Henry Shevlin and Mrs. Fred Kieslar. The next meeting will be in the home of Mrs. Floyd Williams.

Mrs. William Riemann, whose husband was the former pastor of St. John's church, recently underwent surgery in the Ottawa hospital, Ottawa, Ill. She is now recuperating in the home of her son Dr. Robert Riemann in that city.

Mrs. Mary Steinhagen is a medical patient in Silver Cross hospital.

The name of Coleman Rogers, eighth grade and visual aids teacher, was inadvertently omitted from the faculty list of Carpenter street school in last week's story. We are sorry.

Mrs. Emilie Campbell of Seattle, Washington is visiting with her sister, Mrs. Margaret Semmler and Mrs. Cilda Deadmore of Mokena and her brother Theodore Oestreich of Joliet. She will remain for about one month.

Mrs. Herman Lorenz, and Miss Margo Book were among the 37 artists that exhibited their work at the Laguna Woods (Orland Park) outdoor fair held Sunday, Sept. 17.

AMVET AUX.
The meeting place of the group has been changed to the home of Mrs. James Florey at Hillgate and Francis road with Mrs. Wilburg Schalk as co-hostess. The group will meet (tonight) Thursday, Sept. 21 at 8:00 p.m.

Rick Muehler, son of Mr. and Mrs. Richard Muehler is attending the Marmion Military Academy at Butterfield road campus, Aurora. This is a

four year high school plus military training.

Their daughter Barbara is entering her third year at Sacred Heart Convent and has chosen the name of Sister M. Patrick Ann. Her family states she enjoys the order very much and in another year plans on teaching in a parochial school.

VARIETY SHOWER
Mrs. Stanley Williams of South Anna street entertained 40 guests in her home Sunday, Sept. 17 at a variety shower in honor of her niece Miss Jeanette Deist, bride-elect of Frankfort.

Guests were present from Mokena, Peotone, Frankfort, Wilmington, New Lenox and Joliet.

IN THE CHURCHES
ST. JOHN'S
Rev. Theodore Wimmeler, pastor. Located on Second Street. Sunday school - 9:30 a.m., and Morning worship - 10:45 a.m.
IMMANUEL LUTHERAN
Rev. A. J. Bueltmann, pastor. Morning worship service at 8:00 and 10:00 a.m. Sunday school - 9:00 a.m.; located on Cross and Union Streets.
ST. MARY'S
Fr. Cecil Koop, OFM, pastor. Sunday Masses - 7:00, 9:00, 10:00 and 11:30 a.m.; located on 195th st. and 115th avenue.

PARKVIEW BAPTIST
Rev. Charles Hewlett, pastor. Worship service - 11:00 a.m. and 7:00 p.m.; Sunday school - 9:45 a.m. Prayer meetings Wednesday, 8-9 p.m., Youth fellowship Sunday 5:45 to 7:00 p.m.; located on Scott and La Porte roads.

METHODIST
Rev. Robert H. King, pastor. Located on Second and Union Streets.

Sunday school at 9:30 a.m., and morning worship at 10:45 a.m. The general meeting of the two circles of the Woman's Society of Christian Service will be held Thursday, Sept. 21 at 8:00 p.m. in the church parlors. "The Spirit is Lord" is the title of the program to be presented by Mrs. Willard Baranz. Devotions will be led by Mrs. Elias Brown. Hostesses for the meeting will be Mesdames Marilyn Slevert, Adeline Berschoore and Myrtle Cooper. Social hour for the couple's club will be held in Fellowship Hall, Saturday, Sept. 2 at 8:00

Stickney Leads Twps. In Building

(CNS) Stickney returned to first place to lead south and west suburbs in building permits issued in August in unincorporated areas by the county building department. Of the 24 area townships it was second to Elk Grove, the August pacesetter.

Stickney issued 67 permits with an estimated valuation of \$886,120 compared with 68 permits at \$524,800 in July.

Worth dropped to second place with 31 permits valued at \$472,750 compared with the previous month's 31 permits and \$823,900.

Lyons moved from fourth place in July to third place in August with 18 permits at \$127,900 compared with 11 permits and \$117,500.

Lemont dropped to fourth place with five permits valued at \$65,000 compared with six permits and \$128,600 in July. It issued three residential permits with septic systems, \$60,200; one alteration, \$2,500; one accessory building, \$2,300.

Palos remained in fifth place with six permits at \$64,400 compared with July's seven permits and \$105,400. The breakdown; two permits each; residential with septic systems, \$46,400; additions, \$10,000; accessory buildings, \$8,000.

Bremen was seventh with seven permits valued at \$27,700 compared with July's eight permits at \$36,900. Bremen had 1

p.m. Those planning to attend are asked to call Mokena 5553. Refreshments will be served at the close of the meeting.

LIBRARY BOOKS
Officials of the library board announce the following new books are available; Ring of Bright Water; Agony and Ecstasy; The Rise and Fall of the Third Reich; Nation of Sheep; Journey to Matecumee and Born Free. Also, a new supply of State books have arrived; 255 children and 100 adult books are ready for circulation.

residential permit with septic system, \$15,400; two additions or alterations, \$7,300; four accessory buildings, \$5,000.

Orland issued three permits for accessory buildings with an estimated valuation of \$5,400, compared with July's six permits at \$11,000.

For the eighth consecutive month Calumet did not issue any building permits.

A grand total of 453 permits with an estimated valuation of \$8,163,460 were issued in August compared with 379 permits at \$6,496,200 in July.

Of the 453 permits issued 330 were fee permits valued at \$5,142,460 and 123 were no fee permits at \$3,021,000. No fee permits are issued for churches, schools, other public buildings, and farm buildings.

Thot

By GLENN F. LOGAN

To paraphrase a line in the lyrics of one of the pieces in "The Music Man" -- "T means trouble and an army car . . . T rhymes with P, and P means Paar."

Mr. Paar—Jack Paar, that is, prominent TV figure, seems to be marked with trouble. Some persons do things, say things . . .

Across From Davidson Cafeteria

and what happens? Nothing, Let Mr. Paar do the same things, say the same things . . . and what follows? Trouble . . . with a capital T that rhymes with P and P means Paar.

Jack's latest rendezvous with trouble was at some disputed barricade dividing West Berlin from commie controlled East Berlin.

He had some films made showing some American soldiers on guard duty, plus some other GI's for background atmosphere on the one side, and some Red guards and cameramen on the other side.

There is always a possibility, of course, that some one in either group might have yielded to the ham that seems to possess most people before a movie camera and in an effort to enliven the script did something that might have triggered an incident.

Nothing happened, as far as the situation in Berlin is concerned. The pictures did not seem to be any different than news shots -- stills or movies -- made at the spot but as far as Paar is concerned plenty happened.

Paar became the subject of editorials, cartoons and verbal blasts from the floors of congress, not to speak of reams of news copy. Even the metropolitan press gave it Page 1 for a couple of days. One of the world's leading wire services even went so far as to list

Paar's sponsors, and what was even more surprising was that many papers printed that paragraph so there were the advertisers basking in the sunshine of the first page. They probably felt like Cinderella when she actually arrived at the ball.

Making the news columns, particularly Page 1, for FREE is the dream of all advertisers. Most of the big companies as well as many of the small ones, plus many individuals, employ press agents to keep their names or those of their products before the public without resorting to paid advertising.

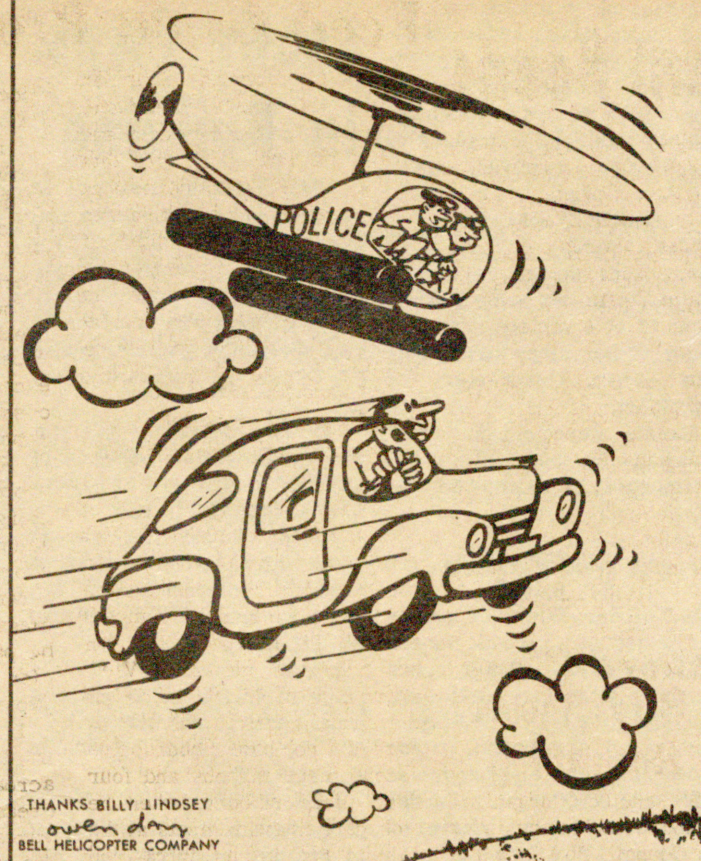

Whether Mr. Paar has a personal press agent this department doesn't know. If he has the guy really comes up with some good ones; if he doesn't then Mr. Paar has a particularly unique ability of becoming the center of attraction. He says something or does something and if there is anyway to put the wrong construction on it you can figure it's done.

The man certainly seems marked with trouble. As far as this corner is concerned there seems to have been a lot of hullabaloo raised about Mr. Paar's switch to the role of foreign correspondent that is out of keeping with the situation.

We can see that if he strapped on a couple of pistols and succeeded in living a few of the top echelon commies that he could have turned a cold war into a hot one -- if the Russians wanted one to start.

COPTER CARTOON

by owen day

THANKS BILLY LINDSEY
OWEN DAY
BILL HELICOPTER COMPANY

His films of street scenes and soldiers were no different than we have all seen many times on news programs. Paar did have some good human interest shots concerning refugees who had managed to flee from Communist Germany about the time Jack landed in Berlin, and those, of course, were fresh stuff. It is a certainty that the hubbub about Paar's Berlin visit has swelled the audience for his nightly shows on which the films have been run.

That should please Mr. Paar and it should please his sponsors. All this attention of their favorite should please his friends and champions as likewise the network by whom he is

employed.

Even those who dislike Mr. Paar should be pleased because all the attention he is getting now -- trouble is still attention -- gives them something to become indignant over and clack about.

Mr. Paar -- the good needler he is -- has kept the controversy going by tossing out a few well selected barbs from time to time. Sometimes it seems that the man is happier when there's trouble. At least he never appears to dodge it.

As for adding to the tension over Berlin we are of the opinion that Mr. Paar's films should lessen it. In fact they made your correspondent downright sleepy.

Business & Finance

By MAURICE P. ANGLAND

Anticipation of boom conditions in 1962, is becoming rather general in current articles on business and finance. These analysts expect that by the middle of 1962, unemployment will no longer be a major problem.

Some of the analysts believe that this period of expanding business will continue longer than previous periods considered normal in the upward phase of business cycle.

The expectation of increase in the Gross National Product (total spending) is estimated from seven to ten per cent between now and the end of 1962. This is very substantial and expected to effect almost all business activity.

The only deterrent to this period of good business, is a wage-price spiral which would force tightening of money rates wherein interest rates would rise sharply to attempt control of an inflationary bulge. If and when the economy gets out of balance as some parts move ahead faster than others, there is a slow down to get the major parts of business into adjustment again.

The upward side of the business cycle, during the recent past, has been about two years. The impact of the recent down side of the business cycle, was made less severe due to our better knowledge of the workings of the business cycle.

Some of the writers on financial affairs and particularly inflationary tendencies, point out that due to unemployment and idle plant capacity, a general price increase will be slow in coming. It will be interesting to watch whether steel makers will be influenced by government pressure against raising their prices to meet wage increases. Obviously, this appeal from Washington is based on politics rather than logic.

Research investment of past years is now being felt. Since 1950 there has been a very large industrial effort in research and development. This is expected to aid in increasing production at lower costs.

Industry in western Europe is having its own problems with labor shortages and raw material costs. Western Germany has only slight unemployment which results in pressures for wage increases. On a classified basis, (i. e. skilled and unskilled) the shortages may be even greater. Raw material costs are estimated to be about three per cent higher in western Europe than in the U.S.A. Labor costs plus raw material costs, are estimated to be very close, on the average, to end costs of our own industry as compared with western Europe. West German industry is having its own squeeze on profits due to wage-price spiral with wages going up faster than prices.

Oil is again having its difficulties. Leading international petroleum producers point out that Russia is selling its oil outside of the Iron Curtain countries, on a political basis rather than business basis. They contend that western governments should meet this problem on the same political level. Russia uses oil in barter deals, to upset normal trade channels of countries it wants to control.

More and more it is apparent financial markets do not fear Russian threats. A reading of much of editorial comment of Canada and western Europe, is anything but flattering to those who did not expect Russia to be unimpressed with any social niceties in their Berlin and atom bomb explosions.

Chances are that deposits of topsoil in low areas have smothered corn and soybeans during heavy summer rains. If so, you are losing much valuable topsoil by erosion. Doing all farming operations and planting on the contour can reduce soil erosion by 50 percent over farming up and down the hill.

Grassed waterways should have been clipped sometime ago, but there's no harm in doing it now with a sickle bar or rotary mower. Then they'll have the capacity to handle all the runoff.

Gutters and downspouts are an expense on barns and implement sheds, but in wet weather, they help to keep the yard from becoming a lake or mud. By letting the downspouts discharge onto splashboards in small ditches, you can keep yard roads open in any weather. Besides, you can save on wheel-bearing replacements for your farm equipment.

It doesn't take many shrubs and weeds growing in a drain ditch to cut their capacity in half. Yet a little work with a machete or some weed killer does wonders in helping get rid of unwanted rainwater. The county highway crews have been busy this summer removing weeds from highway drain ditches.

Silo - unloading equipment suffers from lack of use and maintenance in the summer, time. Make sure that it is cleaned, oiled and lubricated to have it in top shape for the first job this fall.

Use excess pastures, stubble fields and stalk fields for feeder cattle. Roughages that might otherwise be wasted can put valuable pounds on these cattle and reduce the cost per pound of gain.

Editorials

Blindman's Buff--Motorized

We would like to make a suggestion to state police--ban parking of cars and trucks, especially trucks, along the east side of U. S. Alt. 66, immediately south of the blacktop road that leads into Romeoville.

With vehicles parked in that location motorists traveling west on the Romeoville road are confronted with an exceedingly dangerous situation. Because of such parking the west bound driver is unable to see cars approaching from the south. He has to grope and feel his way, as it were, until he gets far enough out in the highway to see if there is any northbound traffic.

There generally is--traffic, we mean--since Alt. 66 is a busy highway. It is four lanes wide and carries a tremendous volume of traffic. Residents of Joliet and towns to the south that commute back and forth to industries in the Chicago area usually wind up on Alt. 66 for at least a portion of their journey. In addition there is considerable transient travel. To call it a busy highway is not overstating the case.

The Romeoville road carries a considerable amount of traffic at certain times of the day and it is at such times that cars and trucks are to be found parked along Alt. 66, just south of this intersection.

From our observation such cars and trucks are not halted for repairs or service. Rather the drivers appear to have stopped so that they might buy cigarettes, a bottle of pop, or obtain information.

We would suggest that state police give this matter some attention and that the drivers of the offending vehicles be required to either pull them completely off the shoulder or move on to some point where they do not block the view of motorists using intersecting roads.

It is dangerous enough driving a car today under the best conditions. If the driver is blindfolded, so to speak, his chances of survival are cut to a very short price indeed.

It seems to us that the section we have described could be protected, to some extent at least, by one of those "no-parking-from-here-to-the-corner" signs.

After such posting the arrest of violators would probably remedy the situation. Probably there wouldn't have to be too many arrests--the word travels fast when police crack down.

that's THE LAW

A PUBLIC SERVICE OF
ILLINOIS STATE BAR ASSOCIATION
IN COOPERATION WITH THIS NEWSPAPER

(This is another in a series of articles provided as a public service by the Illinois State Bar Association for their newspaper.)

In Illinois, real estate owned together by two or more persons is usually held in a "joint tenancy" or in a "tenancy in common."

Each method of ownership has its peculiar characteristics and rules, and it is well for all of us who may own property with others to be familiar with some of the general principles applicable to them.

JOINT TENANCY

Assume that John Carey and his wife, Cecelia, are going to purchase a house and lot. If the deed is made to them "as joint tenants," this means that they own the property together, and that upon the death of the first, the other will automatically become the sole owner of the house and lot.

If, for example, John dies first, Cecelia owns the whole property. John's children, or other natural objects of his bounty and his creditors, will no longer have rights in or against it. Cecelia will be free to dispose of the house and lot, and if she does not, at her death her heirs or other beneficiaries will become the owners.

TENANCY IN COMMON

If the deed to John and Cecelia does not expressly state that they are to be joint tenants, then they become "tenants in common," for it requires an explicit provision to create a joint tenancy. Like joint tenants, tenants in common own the property together, but each tenant in common owns his interest absolutely and can control what shall happen to it.

If John predeceased Cecelia as a tenant in common, John's interest passes pursuant to his will, or, if he has no will, to his heirs pursuant to Illinois law. As a result, Cecelia may own only one-half of the house and lot after John's death.

During the existence of a joint tenancy or tenancy in common, each tenant owns an undivided share of the whole estate, and has the right to the possession and enjoyment of the whole property to the extent of his interest, including any rents and profits derived from the property.

TERMINATION

A joint tenancy may be terminated by the mutual consent of the parties, or by one of the tenants conveying or mortgaging his interest in the property. A levy and sale pursuant to a judgment against one co-tenant will also terminate the tenancy. Termination of a joint tenancy destroys the right of survivorship, and a tenancy in common is automatically created. A later reconveyance to the tenant who destroyed the joint tenancy does not re-establish the joint tenancy relationship.

TAX CONSIDERATIONS

The advisability of taking property in joint tenancy or tenancy in common cannot be answered in generalities, since each case depends on individual circumstances, considered in connection with many technical factors.

common."

Each method of ownership has its peculiar characteristics and rules, and it is well for all of us who may own property with others to be familiar with some of the general principles applicable to them.

Lincoln Estates Honored At Stork Shower

MRS. EMIL WILLE
Tel. Frankfort 5177

Mrs. Richard Meile was the guest of honor at a stork shower recently given by Mrs. Ronald Schöper, her sister-in-law. Guests were former schoolmates, teachers and friends of Mrs. Meile. She has been living in Seattle for the past few years.

Mr. and Mrs. Albert Swatek of Griffith, Ind., were Sunday guests of Mr. and Mrs. Howard Bluth.

Miss Diane Mankowski has returned to Michael Reese hospital school of nursing after spending a month's vacation with her family. Miss Mankowski is beginning her last year of training.

Bill Dixon has returned to Denver, Colo., after having spent the summer vacation with his family. He is returning to the University of Denver to continue his studies.

Mr. and Mrs. John Schwarz recently spent several days visiting Mr. and Mrs. M. J. Johnson in Cincinnati, Ohio.

Mr. and Mrs. Albert Swatek have returned from a vacation trip spent touring Michigan, including the Sault Ste. Marie area and Mackinac Island. They also visited relatives and friends in Algoma, Wis.

Home Bureau To Meet Friday At Wille Home

MRS. KATHARINE HEISNER
Tel. Frankfort 5187

The Green Garden Home Bureau meeting, originally postponed, will be held tomorrow at the home of Mrs. John Wille. Roll Call will be "A New Mix I Like." The major lesson, "Your Emotion and Your Health" will be given by Mrs. Alma Nessler.

Mr. and Mrs. Ralph Dralle and family of Frankfort, Mr. and Mrs. David Dralle and family were dinner guests last Sunday at the home of Mr. and Mrs. Edwin Dralle, when they celebrated Mrs. Ralph Dralle's birthday.

Mrs. Emil Andres will entertain the Always Faithful class at her home Friday evening, Sept. 22. Assisting hostesses will be Mrs. Norman Krapf, Mrs. Wesley Bettenhausen, Mrs. Fred Bettenhausen, Mrs. Fred Diment and Mrs. Elmer Morrison.

A rummage sale will be held at Kankakee Saturday, Oct. 7, and is sponsored by the Always Faithful circle. Donations are being accepted.

Miss Barbara Scheer left last Thursday for Elmhurst college

Governor's Committee To Study Employment Needs

Who are the unemployed in Illinois? What are the skills which industry is most in need of today? How can our present unemployed, particularly those whose skills have been made obsolete by automation, be retrained to meet the labor needs of present-day industry?

These are a few of the important and difficult questions now being examined by a special committee on unemployment appointed recently by Gov. Kerner and headed by Frank H. Cassell, director of personnel, Inland Steel Company and by the Illinois department of labor.

As a first step in the ultimate answer to these questions Samuel C. Bernstein, director of labor, has announced that his department will conduct a survey of the unemployed thru the Illinois state employment offices.

The purpose of this survey will be to determine what kinds of workers are seeking permanent, full-time jobs. The results will be used to plan ways to train or retrain workers in new occupational skills required by industry today and to retrain workers whose skills have been made obsolete by automation.

The survey will also produce a detailed picture of the available labor force in Illinois which can be used to encourage industrial expansion and to attract

ASC Describes 1962 Feed Grain Program

Carl M. Bormet, chairman of the ASC county committee, reminded Cook county corn and grain sorghum producers that barley seeded this fall can affect their eligibility to participate in the 1962 feed grain program. If the 1962 acreage of barley on the farm is increased above the average acreage grown in 1959 and 1960, the farm will not be eligible for the 1962 program.

Lincolnwood

MRS. DELORES ANDERSON
Tel. HU 5-3651

Ronald Wescott, 10, son of Mr. and Mrs. Don Wescott, Garfield Ave., Lincolnwood Hills, was awarded one trophy and 12 ribbons in various swim meets thruout the summer. He won his trophy at the Valley View swim club meet, on the day of the annual picnic. He was awarded three blue ribbons, five second place ribbons and four third place ribbons, when he took part in swim meets at the Joliet Park district, intra-club swim meet in the Joliet area, and the Aqua Park meet in Chicago.

His third place medal was for best boy swimmer of his age in this area.
Mr. and Mrs. Wescott entertained Richard Crich and Ray Benson, life guards at Valley View, and their son, Ronald, at dinner Thursday night at a Tinley Park restaurant.

Walter Mattes and son, Frank, planned a birthday dinner last Saturday night for Mrs. Mattes. The dinner was held at a Chicago Heights restaurant. It was also attended by Mr. and Mrs. Sam Mancuso and son of Joliet.

Cub Scout Pack 41 met Monday night at the Schmulh school for its first fall meeting.

Mr. and Mrs. Walter Mattes spent the weekend in Chicago visiting with relatives.

Since price support on feed grains and diversion payments for reduced acreages will be available only to those who participate in the 1962 program, full consideration should be given at this time to all of the alternatives.

The production of barley for livestock feed has increased in recent years until the supply exceeds the need and the excess adds to the burdensome supply of other feed grains. The U. S. Congress recognized this problem and included barley, along with corn and grain sorghums, in the 1962 feed grain program.

Mr. Bormet points out two classes of producers who must be particularly careful, if they plan on taking part in the 1962 program.
1. Farms which grew barley in 1959 and/or 1960. The acreage of barley cannot be increased above the average acreage grown on the farm in the two year period 1959-1960. However, barley used strictly for malting purposes can be increased to 110% of the 1959-1960 acreage.

2. Farms which grew no barley in 1959-1960. Farms on which no barley was grown in 1959-1960 cannot grow barley in 1962 if they plan to participate in the 1962 program.

Dealer Wins Trip To Porto Rico.

Mr. and Mrs. Ralph Show, Frankfort Ford dealer, returned today (Thursday) from an all-expense paid six day vacation to Porto Rico. While there they stayed at the Caribe Hilton hotel in San Juan.

The trip, sponsored by the Ford Motor Co., was won by Mr. Show thru a sales promotion award. He was picked as one of the outstanding Ford dealers of America.

The couple made the trip by plane.

BEAUTY QUEEN LEADS THE PARADE

Savers Follow Queen Judy To New Drive-In Teller Window

Pretty Judy Bettenhausen, queen of the Tinley Park fall festival, is first in line at the newly-opened drive-in teller window of Tinley Park Savings & Loan Association.

The drive-in teller is just one of the additional services offered by Tinley Park Savings, since moving to its new, modern quarters at 174th Street and Oak Park Avenue. Another convenience to savers is the night depository, located just a few feet south of the main entrance.

Customers of the Association are invited to save time by using the drive-in teller for making payments on their mortgages or home improvement loans—as well as for adding to their savings accounts—whenever they are in a hurry. It's so convenient, and can save valuable minutes, on a busy day.

Your savings are protected . . .

at Tinley Park Savings & Loan Association. Accounts insured by a permanent agency of the United States Government.

TUBE OR TUBELESS TIRES

Miss Barbara A. Waddell, daughter of Mr. and Mrs. Floyd Holliday, 211 Richards street, Joliet and Wayne T. Guthrie, grandson of Mr. and Mrs. Russell Stankus, Marley, with whom he resided, were united in marriage at an 11 o'clock ceremony the morning of Tuesday, Aug. 5 in the Evangelical Brethren church with the Rev. Lester Laubenstein officiating.

Mrs. Esther Laubenstein, organist, played appropriate wedding selections during the service.

Escorted to the altar by her father, the bride wore a gown of white silk organza trimmed with embroidered lace. Her fingertip veil was attached to a crown encrusted with seed pearls and crystals, and her pearl necklace was a gift of the bridegroom. She carried a cascade of white roses.

Miss Judy Uttley, maid of honor, was attired in a street-length gown of white chiffon over taffeta accented by peach colored lace trim. She carried a bouquet of peach colored gladioli.

Serving as best man was Karl Gogattus of Mokena and ushers' duties were handled by David Keagle and Ben Waddell, brother of the bride.

Following the wedding dinner at Luigi's restaurant, a reception

was held in the VFW hall, Mokena to which some 150 guests attended.

Mr. Guthrie is an employee

of the United Wall Paper Co. at Mokena and the young couple are now at home at Marley.

Fete Jeanette Diest With Variety Shower

A variety shower for Miss Jeanette Diest, bride-elect, was given in the home of Miss Diane Schoen of Frankfort and by the assisting hostesses Misses Marilyn Diest, Leanne Schroeder and Mrs. Charles Mark Jr.

A corsage of white gladioli and blue carnations was presented to the honored guest upon her arrival.

Games were played by the 30

guests attending, with prizes and duplicate ones awarded. The bride-to-be was seated under a blue and white crepe paper umbrella when she opened her many gifts.

Later refreshments were served from a table decorated in the chosen colors of the honored guest.

Miss Diest will become the bride of William Edward Ellwell of Frankfort on Saturday, Sept. 23 in St. Peter's United Church of Christ at 7:00 o'clock in the evening.

There's a sign on Highway 66 reading: "Cuba, Mo.; No Castro"

Fete Couples On Their Golden And Silver Wedding Anniversaries

MEMBERS OF THE IMMEDIATE FAMILY of Mr. and Mrs. Charles O. Bell, 26 White street, Frankfort were guests at a dinner at Arch Inn in honor of their Golden Wedding anniversary. Also being observed was the Silver wedding anniversary of their daughter, Mr. and Mrs. Robert O'Tool of Bradley.

Those attending the dinner were the children of the celebrants and their families, Mr. and Mrs. Marion Bell and Mr. and Mrs. Howard Bell both of Frankfort, Mr. and Mrs. O'Tool,

and Mr. and Mrs. Herbert Warren of Peotone, Mr. Bell's sister who were attendants at their wedding 50 years ago.

Mr. Bell and the former Myrtle Peck were married in Wilton Center, Sept. 14, 1911 and farmed in that area for a number of years before moving to a farm on Sauk trail. Four years ago they retired from farming and moved into the village of Frankfort.

Besides their children they have eight grandchildren and four great grandsons.

MR. AND MRS. CLARENCE BREITHARTH of Mokena observed their Silver wedding anniversary, Saturday, Sept. 16 with a dinner in their honor.

The former Beulah Beagley, daughter of Mr. and Mrs. Howard Beagley of Mokena and Mr. Breitharth were married in Chicago, 25 years ago on Sept. 16, 1936 and have resided in Mokena for the past nine years.

Mr. Breitharth has worked for the past 35 years with the Wabash railroad as a maintenance car repairman.

Orval Schroeder of Frankfort served as co-hostess.

Some 40 invited friends and relatives played appropriate games thruout the evening.

A decorated sprinkling can suspended over a table, covered with a green cloth, was provided for the placement of the many gifts, which the honored guest opened later in the evening.

At the close of the shower a two course luncheon was served.

Jupiter's gravity is so much greater than Earth's that a spaceman trying to walk on the planet would be crushed by his own weight. The planet is large enough to contain 1,300 Earths.

BUDGET TERMS

Modernize with Skelgas on long, easy terms.

150° hot water is always on tap in a flameless electric kitchen

Twin heating units in a new Fast Electric Water Heater heat water as fast as it's used. There's no "saving up" for it to do the laundry or dishes. It's always there—150° hot—when and where you need it.

No pilot to light. Once installed, a new Fast Electric Water Heater is on its own. There's no pilot to light or go out, nothing to smell. Compact tank-type models fit in a

closet. Modern counter-top models fit in your kitchen or laundry (offer extra work space, too). No flues are needed. No vents or long pipe runs. Electric Water Heaters last longer than any other kind; many have been in service for over 20 years.

When you build, buy an appliance or remodel your kitchen, keep in mind the unique advantages of a flameless electric water heater.

So Clean, So Safe, So Modern

At 7 o'clock the evening of September 3 in St. Paul's United Church of Christ, Miss Bonnie Torok recited nuptial promises with Norman R. Sloan.

The bride is the daughter of Mr. and Mrs. Frank Torok of Monee while Mr. Sloan is the son of Mr. and Mrs. J. Lester Sloan of Peotone.

The marriage ceremony was performed by the Rev. A.W. Klumb. Guest soloist, Mrs. Beverly Carmichael, was accompanied at the organ by Mrs. Ervin Werner. Candelighters were Miss Melody Eason and Miss Linda Diment.

Given in marriage by her father, the bride wore a floor length gown of peau de soi that extended into a chapel train in her back. Her fingertip veil was accented with applique flowers and she wore a single strand of pearls, a gift from the groom. She carried a bridal bouquet of white pom poms entered with yellow chrysanthemum.

Mrs. Beverly Carmichael, patron of honor, chose a turquoise chiffon street length dress and carried a turquoise basket filled with yellow and brown straw flowers.

Dressed identically to the matron of honor were bridesmaids, Miss Pat Torok, Miss Carol Torok and Miss Marcia Sian.

Jennis Sloan attended his father as best man and the bridesmaids were carried out by H. Wayne Carmichael, Glen Gill and Romie Eason.

Flower girls, Misses Debbie and Dona Williams, wore light blue lace-trimmed chiffon dresses.

A reception was held immediately following the ceremony, to which some 250 guests attended, at the Atrium in Peotone. The bride's mother, Mrs. Torok welcomed the guests wearing a turquoise embroidered linen dress with matching accessories, while Mrs. Sloan, mother of the bridegroom, was attired in a beige lace dress with matching jacket. Miss Barbara Scheer and Mrs. Marjane Kovar assisted in serving the wedding cake while Miss Beverly Barton and Miss Marilyn Vitanover were in charge of the guest book.

Following a wedding trip thru the Southern states the couple are now at home in Monee.

The bride will enter her senior year at Roosevelt university, Chicago and Mr. Sloan is employed in the product engineering department of the George D. Roper corporation at Kankakee.

MR. AND MRS. NORMAN R. SLOAN

(Root Photographers)

CELEBRATES BIRTHDAY — Mrs. Harry Laurence of 220 North Division street, Mokena celebrated her 75th birthday on Aug. 26 while a patient in Silver Cross hospital.

In honor of the occasion her children, Mr. and Mrs. Charles Kelch and sons and Mr. and Mrs. William Laurence and sons from Mokena brought a birthday cake to her room and shared the celebration with her.

She is now recuperating in her home.

"One thing I have always admired about my brother Cecil, the movie producer," William De Mille once said, "is his ability to bite off more than he can chew — and then chew it."

LEGAL NOTICE
Bids on the removal or dismantling of two houses on the Village of New Lenox Sewage Disposal Plant Site are requested by the New Lenox Village Board.

Said bids to be in the hands of the village clerk by Sept. 27, 1961.

ROBERT J. McCLEARY, Village Clerk of New Lenox, Illinois, 917 North Cedar road, New Lenox, Ill.

THE REASON THIS LITTLE FELLOW appears so happy is that he just celebrated his first birthday, Tuesday, Sept. 12. He is Timothy Wayne Moulis, son of Mr. and Mrs. George J. Moulis of 20 Lincoln Highway, New Lenox. A celebration in his honor was held in the home of his grandparents, Mr. and Mrs. George Moulis Sr. of Lincolnwood, with immediate family members attending. Mrs. Moulis is the former Mary McElfresh of New Lenox.

Set Cub Pack Meeting

Cub Scout Pack 40 of Mokena
will hold their first pack meet-
ing, Thursday, Sept. 28 in the
Carpenter street school at 7:30
p.m. Den 10, with Mrs. William
Miller as den mother, will pre-
sent the colors. Den 8, with
Mrs. Charles Burkhardt and
Mrs. Elmer Tepper and Den 13
with Mrs. Robert Homering,
den mother will be in charge of
refreshments at the close of the
meeting.

Bobcat pins will be presented
to the new boys recently regis-
tered in the pack. Wolf, bear
and lion awards will be present-
ed to boys who have completed
the necessary requirements to
achieve those ranks.

A graduation ceremony will
be staged for the boys who have
reached 11 years of age and are
interested in going into Boy
Scouts.

Sandburg Noses Belvidere 20-19 In Grid Opener

SEMMLER NEWSPAPERS

Thursday, September 21, 1961

Page 11

Joe Devine's Eagles from
Carl Sandburg High "flew" up to
Belvidere Friday evening and
came home with a 20 - 19
victory in their claws.

A couple hundred loyal fans
made the 100 mile journey to
sit under a cloudless sky in
perfect football weather to
watch Sandburg scratch out a
win in a game that was a thriller
all the way.

This was a non-conference
contest and for an opening game
both teams played good, tight
football. There was no evi-
dence of confusion or nervous-
ness and not one ball carrier
fumbled the ball.

Both teams played out of

the T formation and had fine
quarterbacking. Sandburg's Jim
Lavine called the shots well.
He had ample blocking and
usually had plenty of time to
get away his passes.

Sophomore Ernie Sharp
sparkled as a runner, pass
receiver and defensive half-
back.

The Eagles will begin defense
of their Southwest Suburban
Conference title this Saturday
when they play Bremen at home.
Bremen lost to Thornton Fra-
ctional South last Saturday in
their non-conference opener.
The frosh-soph game is at 12:30
and the varsity at 2 p.m.
Belvidere kicked off using

an onside kick that was re-
covered on his 28 by Frank
Mellott of Sandburg. Three
plays later and with an onside
penalty to help, the Eagles had
a first down on their own 43.
Eagle quarterback, Jim Lavine,
attempted a pass that was
knocked down by Ed Jones. The
next play was a long pass in-
tended for Dan Wasick that was
intercepted by Belvidere de-
fenseman Dean Marcellus who
carried to their 25. The next
play netted Belvidere two yards
and then the Eagles got a pre-
view of what to expect from
John Grubb, the Bee's husky
left halfback. Grubb took the
handoff and slanted off left tack-
le, through the line, through

the Sandburg secondary and was
on his way to the payoff when
Dan Wasick nailed him from
behind on the Sandburg 30 yard
stripe. A couple of rushes and
an onside against the Eagles
put the ball on their six. Bee
quarterback Bob Shuckhart
handed off to his right half,
Gary Keator who went over
the left side for the first score
of the game. Shuckhart passed
to end Larry Mason for the
extra point. Score: Belvidere
7, Sandburg, 0.

Belvidere's onside kickoff
was recovered again by Frank
Mellott on his 33. Ernie Sharp
got four and Dan Wasick got
eight for a first down. Vic
Leatzow picked up 2 then Jim

Lavine kept on an option play
for 5. A pitchout to Wasick,
a rush by Leatzow and 3 car-
ries by Sharp placed the ball
on the Belvidere 33. Jim La-
vine hit right end Frank Mel-
lott who was in the clear on
the right flank with a pass
that was good for 28 yards.
With the second quarter four
seconds old, Ernie Sharp went
through the left side for the 5
yards and the T.D. Sharp's
kick for the extra point was
wide. Score: Belvidere 7,
Sandburg 6.

Jim Devries' kickoff was tak-
en by Grubb on his 25 and car-
ried to his 30. Grubb got 6 in
2 tries. Gary Keator, Bee right
half, got 10. Grubb romped
for 30 more. Two penalties
in their favor and some fine
defensive work by Eagles
Grossman, Johanson, Cernic
and Mellott still couldn't stop
Grubb and company and with
5 minutes and 18 seconds left
in the first half, quarterback
Shuckhart sneaked over from
the one for Belvidere's sec-
ond touchdown. They ran for
the extra point and failed.
Score: Belvidere 13, Sandburg
6.

Jim Devries second half kick-
off for Sandburg was downed
on the Belvidere 23. A tight-
ened Eagle defense surprised
the Bees and stopped them cold
on their next 3 attempts at
cracking the line.

Ernie Sharp took a pitchout
from quarterback Jim Lavine
and went around right end for
16 yards. Tom Richter went
up the middle for 2 and Sharp
barrelled through the right side
of the line for 17 yards. La-
vine kept the ball on an option
play that was good for 2 and
then on the next play with 4:52
left in the third quarter he

pitched out to Sharp who ran
the remaining 15 yards for
the touchdown. Sharp's place
kick was good. Score: Sand-
burg 13, Belvidere, 13.

Devries kick was taken by
Grubb on the Belvidere 10 and
brought up to the 24. A com-
pleted pass, Schockhart to Mas-
on and 15 yard penalty put the
Bees into Sandburg territory.
Between John Grubb and Gary
Keator, the Bees picked up
another first down. With 20
seconds left in the quarter,
Grubb scored again. Belvi-
dere chose to run for the extra
point but failed to penetrate
the Eagle defense. Score: Bel-
videre, 19, Sandburg, 13.

Belvidere, using the onside
kick exclusively, hit Sandburg
right end Tom Richter with the
twisting oval but he man-
aged to recover it on his 44.
A 15 yard clipping penalty
against the Eagles set the ball
back to their 29. It was Sharp
for 3; Sharp for 10; a pass,
Lavine to Sharp for 10; Leat-
zow over right guard for 2;
Lavine passed again to Sharp
deep in the open to the right
netting 35 yards. Sharp then
ran around left end and took
a pitchout for 10 more. The
pay off play was a perfect
over-the-shoulder pass from
Jim Lavine to Ernie Sharp that
tied the score at 19-19.

Sharp's boot for the extra
point was right through the
middle.

The next 7 minutes of the
game saw some terrific de-
fensive play by Sandburg's Al-
bers, Trosper, Grossman, Wil-
coxon, Hyink Seymour, Johan-
sen and Mellott. The Eagles
held Belvidere in check and
took possession of the ball on
their own 10 with less than a
minute to play.

Lincoln-Way Downs Lemont High 28 To 6 In Football Opener

BY PAUL BROWN
The Knights of Lincoln-Way
once again showed its domina-
tion over Lemont, this time
beating the Indians 28-6. Al-
tho the Indians did score first
because of a Knight fumble,
Lincoln-Way was in charge all
the way. The Lincoln-Way
Frosh-Sophs won 41 to 6.

In the first quarter after
Lincoln-Way had fumbled on the
Lemont eight yard line, the
Indians easily went over on a
pass play. However, the extra
point failed.

The Knights came right back
in the second quarter with a
touchdown on Ron Yunker's 23-
yard run around end. Jim
Miller ran for the conversion.
The score stood at halftime
7-6, Knights.

Lincoln-Way scored twice in
the third quarter, the first of
these coming on a 22-yard run
around end again by Ron Yunk-
er. Jim Miller again added the
extra point. The second touch-
down came on a 28-yard pass
play, Ron Yunker to Jim Miller.
This time Johan Reinhard added
the extra point.

To add insult to injury the
Knights scored once more in
the fourth quarter. This was
another passplay, this time
Yunker to Mark Muehler good
for 16 yards. Reinhard again

embraced opportunity in the form of
a football. Lemont had flipped a pass but it
failed to reach its intended target. Instead
Johan Reinhard, of Lincoln-Way gathered it

added the extra point.
In the statistics department
the Knights also dominated play.
They picked up 441 yards rush-
ing as compared to 41 for the
Indians. Lincoln-Way also

picked up 75 yards passing to
the Indians' 41.
The only two categories
where the Knights looked bad
were the fumbles and penalties.
Lemont recovered three Lin-

coln-Way fumbles and the
Knights were penalized 80 yards
in the game.
Next week the Knights take
on Evergreen Park in the first
conference duel.

Dirksen Raps Growth Of Centralization Of Power

The annual Will county Re-
publican picnic held last Satur-
day on the Valley View Farm
grounds on U.S. 30 near Wolf
road drew several thousand
persons.

Principal speaker was U.S.
Senator Everett M. Dirksen,
of Pekin, who will be a can-
didate for re-election next year.
Senator Dirksen spoke again
Saturday night at a \$100 a
plate dinner in McCormick
Place, on the Chicago lake front.
That dinner was attended by
2,300 persons and the principal
speaker was Ex-President
Eisenhower.

A delegation from Will county
left the picnic here after Dirks-
en spoke and went on to Chic-
ago for the dinner there.

In the course of his talk
here, Dirksen described 1961
as a "tumultuous year."

Senator Dirksen was intro-
duced by State Representative
Warren L. Wood, of Plainfield,
minority leader in the Illinois
general assembly house where
he formerly served as speaker.

State Senator Lottie Holman
O'Neill, an announced candi-
date for re-election and County
Chairman C.H. Peterson were
also on the speaker's platform.
"Adhering to the principles
outlined in the Constitution is
the great challenge to the Re-
publican party today," Senator
Dirksen said.

He charged that the present
administration "has gotten
away from the basic traditional
concept of American govern-
ment"; that it is favoring more
and more centralization of power
in Washington. Such con-
centration of power, he warned,
would make it easier for a
dictator to take over.

Quite a number of residents
of Frankfort, New Lenox and
Green Garden residents attend-
ed the affair.

Festivities began at 1 o'clock
and continued until 9:00 that
night. The boy's bicycle that
was given away went to Jim
Surovic, Jr., son of Police Mag-
istrate and Mrs. James Suro-
vic of Mokena.

New Lenox School People On Institute Program

Next Monday will be a holiday
for pupils in the Will County
schools but not for the teachers.
The instructors will attend the
91st annual Will County Teachers
Institute, on Sept. 25, at
Joliet high school.

Group meetings will be held
in various rooms but the general
sessions are slated for the audi-
torium.

The day will begin with regis-
tration at 9:15 o'clock with in-
stitute opening at 9:30. The Rev.
Niles Gillen, O. Carm., princi-
pal of Joliet Catholic high will
give the invocation.

Two speakers are scheduled
for the morning session. Wel-
don James, associate editor of
the Louisville Courier-Journal,
will give an address on
"Hands Across the Sea," the
other speaker, Aubrey J.

Following the program Pine-
wood derby races will serve as
the recreation and all boys
asked to bring their racers.
Kenneth Corniels is the Cub-
master with James Tilsy as as-
sistant.

Holmes, of Springfield, execu-
tive secretary of the Illinois
Teachers Retirement system,
will discourse on recent im-
provements in that system.

There will be a break for
luncheon at 11:45. Group meet-
ings will be conducted from 1:30
to 2:45 p.m.

Special music by the JTHS
sophomore chorus inner choir
under the direction of Robert
Howell is scheduled at the
morning session.

A. Hunter Chapman, superin-
tendent of Lincoln-Way high
school is chairman of the group
meeting dealing with "Develop-
ments and Trends in Standards
for Accrediting Secondary
Schools." This session will be
held in the auditorium.

Mrs. John Oster, a kin-
dergarten teacher at New Len-
ox, will be one of the group to
discuss "New Trends in the
Kindergarten Primary Pro-
gram."
Verne E. Crackel, Will
County superintendent of
schools, is in charge of the in-
stitute.

L-W Debaters Win Tourney At Ohio State

James Lakin and Mike Tate,
seniors at Lincoln-Way high
school, won the summer debate
tournament on Ohio State uni-
versity. They were unbeaten in
defeating teams from Ohio
State, Toledo University and
Southern Illinois University.

Lakin and Tate brought to
Lincoln-Way the first debate
trophy cup in history. Last
year the Lincoln-Way team fin-
ished in a tie for third place at
the Illinois state tournament.
Lakin and Tate were members
of this team.

Lakin was selected as one of
the top sixteen prep debaters in
the state and was accepted at the
University of Illinois Summer
Debate Workshop early this past

summer. He was the only de-
bater to finish the workshop
schedule of debates with an un-
beaten mark.

The Lincoln-Way debate team
is preparing for its first tourna-
ment on Saturday, September
30. The team has been invited
to participate in the "Debate
Day" sponsored by WBBM-TV.
If Lincoln-Way qualifies its
team will appear in the "Rebut-
tal" series on Channel 2.

Jeanine Peters and Mike Tate
will be affirmative debaters for
Lincoln-Way on September 30.
Kay Van Rheeden and James
Lakin will debate the negative
side of the question: "Resolved
that the United Nations Should
be Significantly Strengthened."

Lincoln Way High Board Discusses Growth Problem

School board members of
Lincoln Way high school de-
voted much discussion to the future
building program of the school
when they met Thursday night
for a regular meeting.

Four architectural firms
have been asked to attend the
next meeting of the board on
Oct. 10 to talk about the coming
growth and development of the
school premises.

Bids were taken and opened
for the purchase of a moving
picture projector. It will be
purchased from the Watland Co.,
for \$470 and is a Bell and
Howell. The projector will be
purchased thru the National Ex-
pense Education Act, with a 39
per cent subsidy for the fur-
therance of science in schools.

Mrs. Della Hussey, a teacher
in the mathematics department,
was appointed temporary chair-
man of the department. She re-
ceived a salary increase of \$200
and replaces Ralph Christison.

The members also made a few
plans for a joint meeting with
the junior college committee on
Sept. 28. At that time, a recom-
mendation will be forthcoming
to determine if the Lincoln Way
area will participate in the elec-
tion for a junior college dis-
trict. The board has favored
the election from the beginning.
With Joliet Junior college
rapidly increasing in enroll-
ment, it is expected that the

Lincoln Way area's need for a
junior college will be acute and
critical.

CD Offers First Aid Courses

Classes in First Aid, stan-
dard and advance instructions,
are now being offered by the
Mokena Civil Defense unit, for
all residents in the area who
wish to attend. Arthur Omland
will serve as instructor.

Classes will start this Sun-
day, Sept. 24 for an eight week
period ending Sunday, Nov. 12
from 2:00 to 5:00 p.m. in St.
Mary's social center on Wolf
Road.

As classes are limited, early
registration is requested by
calling Mokena 5545 or com-
ing into the CD headquarters at
Dina's barber shop.

ARREST TRIO

Three young men were ar-
rested late Monday afternoon
by state troopers and locked up
in the county jail.

They are Sherman Myers, 20;
Kenneth Kulic, 18, and David
McConnell, 18, all of the NIKE
base at Orland Park.

Troopers charged them with
larceny of a motor vehicle and
possession of a stolen car. The
report did not give the circum-
stances of the arrest.

•NOW IGA VARIETY BREADS ARE HAND-
MADE AND HEARTH BAKED FOR ADDED
FLAVOR.

Yes, because IGA variety brands are now hand-made and hearth-baked, you get added flavor in every loaf. Why? Well, since the bread is made by hand, the dough is mixed in small batches which results in better quality control which, in turn, results in that good old home-made flavor. After the dough is thoroughly mixed, it is allowed to ferment naturally, resulting in a firmer loaf of bread which stays fresh longer. The carefully prepared dough is now carefully placed in the old fashioned ovens and slow baked over the open hearth until the mouth watering flavor is sealed inside a uniformly golden crust.
